

Jenz & Partner GmbH

Ontology License Agreement

This document outlines the license arrangement put in place by Jenz & Partner GmbH for usage of the Business Management Ontology (BMO) resource files and documents. It replaces all previous copyright and license statements applying to the files.

The Business Management Ontology (BMO) files are being provided to you, the LICENSEE, by Jenz & Partner GmbH under the following license. By obtaining, using, and/or copying the Business Management Ontology (BMO) files, you agree that you have read, understood, and will comply with these terms and conditions.

1. Application

This license statement and copyright notice applies to the Business Management Ontology (BMO) files, the associated documentation files, and any data files which are derived from them.

The intellectual property rights of all the Business Management Ontology (BMO) files belongs to Jenz & Partner GmbH. Copyright over the documents covered by this statement is held by Jenz & Partner GmbH.

2. Usage, Copying and Distribution Permission and Restrictions

Permissions to use, copy, and distribute the contents of the Business Management Ontology (BMO) files, in any medium for any purpose and without fee or royalty is hereby granted. There is no restriction placed on the commercial use of the Business Management Ontology (BMO).

Any person or organization in possession of a copy of any of the files covered by this statement, whether they have received the copy via free distribution or purchase:

1. Must as part of the receiving of the copy undertake to be bound by all the conditions in this document relating to the distribution or usage of the files.
2. Must undertake not to assert copyright over any portion of the files.
3. May make and distribute verbatim copies of these files provided the full documentation of the files and this copyright notice and permission notice are distributed with all copies.
4. May place copies of these files on WWW, ftp and equivalent servers for subsequent distribution provided the full documentation of the files and this copyright notice and permission notice are also made available on the servers, and are given equivalent notification to potential down-loaders of the files. For WWW distribution, there must be links to either local copies of the documentation and license files or to the locations of the files at Jenz & Partner GmbH, and acknowledgement must be made of the source of the files.
5. May make and distribute extracts or subsets of the files, or files in other formats and codings containing material selected from the files, under the same conditions apply-

ing to verbatim copies. Where a subset of a file is being made, either by reducing the number of entries or by reducing the amount of information in entries or both, the nature of the subset must be made clear in documentation accompanying the distribution of the subset.

6. May make and distribute modified versions of the files, or works derived from the files, under the same conditions applying to verbatim copies. Where a modified version or derived work is being made and distributed, the nature of the modification and derivation must be made clear in documentation accompanying the distribution of the work. (The author of the modified version or derived work is encouraged to make any additional information available for inclusion in later versions of the file(s).)
7. Must either make every endeavor to ensure that the versions of the files they distribute are the most recent available, or must make the version and date clear and prominent in their documentation, WWW page, etc. and supply information as to where and how the most recent version may be obtained.
8. May translate elements of the files into other languages, and to make and distribute copies of those translations under the same conditions applying to verbatim copies.
9. May use these files as part of, or in association with a software package or system. Full acknowledgement of the source of the files must be made both in the promotional material, WWW pages and software documentation, and where the files play a major part in the package, e.g. in the case of the package being a registry and repository system populated from the files, prominent reference to the source and status of the files must be made on any GUI screens, etc. associated with using the files. The following URLs must be used or quoted: <http://www.jenzundpartner.de>.
10. May publish all or part of the files on paper or digital media such as CD-ROM or DVD, provided clear and prominent acknowledgement of the source is made in the publication.

Note that in all cases, the addition of material to the files or to extracts from the files does not remove or in any way diminish the Jenz & Partner GmbH copyright over the files.

3. Warranty and Liability

While every effort has been made to ensure the accuracy of the information in the Business Management Ontology (BMO) files, it is possible that errors may still be included. The files are made available without any warranty whatsoever as to their accuracy or suitability for a particular application.

Any individual or organization making use of the files must agree:

1. To assume all liability for the use or misuse of the files, and must agree not to hold Jenz & Partner GmbH liable for any actions or events resulting from use of the files.
2. To refrain from bringing action or suit or claim against Jenz & Partner GmbH on the basis of the use of the files, or any information included in the files.
3. To indemnify Jenz & Partner GmbH in the case of action by a third party on the basis of the use of the files, or any information included in the files.

THE BUSINESS MANAGEMENT ONTOLOGY (BMO) IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO

THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL JENZ & PARTNER GMBH BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, DIRECT, INDIRECT, SPECIAL, PUNITIVE, OR OTHER DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE BUSINESS MANAGEMENT ONTOLOGY (BMO), EVEN IF JENZ & PARTNER GMBH HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

4. Copyright

Every effort has been made in the compilation of these files to ensure that the copyright of other authors of ontologies has not been infringed. Jenz & Partner GmbH asserts its intention to rectify immediately any breach of copyright brought to its attention.

Any individual or organization in possession of copies of the files, upon becoming aware that a possible copyright infringement may be present in the files, must undertake to contact Jenz & Partner GmbH immediately with details of the possible infringement.
